

Dear Singer,

Welcome to the Brücker Gospelchor!

This information sheet will tell you all you need to know about how to become a member of our choir. We usually practise in the primary school on Monday from 6.30 – 8.30 p.m. The choir has round about 40 members and was formed in 2008.

We are structured in soprano, alto, tenor and basso. Sometime voices are subdivided (e.g. soprano 1 and 2). Feel free to try different voice groups until you are sure which is the right one for you. It will be to your advantage if you sit between two experienced singers in your voice group at first.

Ilja Panzer has been our choirmaster since 2012 (kontakt@iljapanzer.de). You can find a collection of current music sheets via a link on www.bruecker-gospelchor.de. There you can also find our „Teachmes“ (mp3s for practice at home). When you have registered, you will be sent the access data for your login.

You can attend **three choir practices** before deciding whether you want to stay. It would be nice if you do! After that, you are required to attend choir practices regularly if you want to take part in our concerts etc. You are required to attend at least the last three practices before a performance. Before singing in public with us for the very first time, please speak to Ilja at least one week ahead of the date.

If it isn't possible for you to attend a choir practice at any time, please let Dagmar know (0173-8979429) or post a message in our "What's App" group.

The choir relies on membership fees which you can pay monthly or annually, preferably by bank standing order. **You can find our bank account details at the bottom of the page.**

We've got a tradition regarding birthdays. Everyone who had a birthday during the previous month, brings along some food or drink on the first Monday of the month. After the choir practice, we have a little birthday party.

If you have any questions or need any other help, please feel free to ask:
